

FIND YOUR PERFECT SIZE RING

Print this A4 guide to finding your perfect ring size.
 Before you use this guide make sure that it is printed to the right size by measuring our print accuracy tester below. It should measure 50mm.
 NOTE: Make sure that the 'fit to page' box is unchecked.

50 mm

Start by putting your guide on a flat surface and place your existing ring on any one of the diagrams below until you find one that fits. Please be sure to place the ring to measure around the black circle, and not inside the circle.
