I love you so much, i'll let you choose every show we Netflix (for the next week).

Close your eyes, make a wish, and it will come true. At least... it will if you wished for a kiss from me!

You're so incredible, you should have back up dancers following you around.

1

I love you a little more each and every time you sing off-key in the shower.

You make me feel lucky, loved, and full of laughter when i'm with you, and those are just the L words.

3

Sometimes when i'm with you I smile so much it hurts.

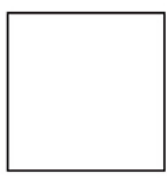

6

You make me feel like a secret admirer... look at the person standing in front of you with a goofy smile to find them.

You have a secret admirer... look at the person standing in front of you with a goofy smile to find them.

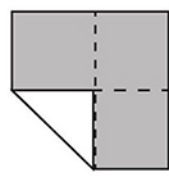

Cut out the cootie catcher.

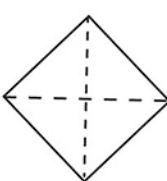

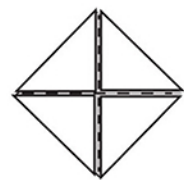

Fold it in half.

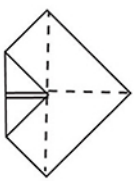

Fold it in half again.

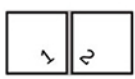

With the blank side facing up, fold each corner to the center.

Flip square over. All eight Valentine's messages will face up.

Fold all four corners to the center again.

Fold it in half with the numbers in the center.

Pull the outside words out to make the cootie catcher and use it.
